PRESS RELEASE

State Rep. Marcelle endorses Dunn for Police Chief

State Rep. Denise Marcelle today announced her endorsement of Carl J. Dunn for Baker Chief of Police.

Marcelle, a Democrat who served on the Baton Rouge Metro-Council from 2009 until being sworn into office in the House of Representatives in January, now represents House District 61 in North Baton Rouge.

"I have known and worked with Mr. Dunn for several years before his retirement as Captain of the Baton Rouge Police Department," she said. "Capt. Dunn was the Commander of Uniform Patrol when I had the privilege of interacting with him, and I marveled at how he facilitated his department."

She adds, "He has always exhibited professionalism, honesty and a firm hand when necessary. I believe that he will be an asset to the Baker Police Department. He will lead with integrity and compassion, which is what we need to see more of in our police departments."

"Let's stand together and vote Carl Dunn as Chief of Police for Baker!" she said.
